3. All rams to be allowed one entry only at official ram sales. If any Shearling Ram is found to be entered at more than one sale it will be catalogued at the earliest sale at which it is entered.
4. All Aged and Shearling Rams entered for sale must have undergone Scrapie Genotyping by an organisation approved by the Association, and found to be clear of Valene.
5. In the event that the Scrapie Genotyping result, with which the Ram was sold, proves incorrect for whatever reason, the Association accept no liability whatsoever in contract, or negligence or otherwise for any loss, damage, cost or expenses of any nature whatsoever incurred or suffered by the buyer including of an indirect or consequential nature, including without limitation, economic loss or the loss of turnover, profits, business or goodwill.
6. In the event of any Ram being sold with a Genotyping result which is proven to be incorrect by certificate by a veterinary investigation centre, within three years of the date of purchase, the Vendor shall refund to the Purchaser the full purchase price without deductions. In the event of such a refund, the title of the Ram shall again vest in the breeder. If any discount is given by the Vendor to the Purchaser at the time of purchase, this must be refunded.
7. The Association does not guarantee the stock getting capability of any Rams offered for sale. In the event of any Shearling Ram sold by the Breeder developing 'scrapie' within one year of purchase, then the Vendor will refund to the Purchaser the full purchase price (without deductions), provided that the disease is confirmed by certificate issued by a Veterinary Investigation Centre and the Vendor is given seven days' notice of such condition prior to slaughter or disposal of the carcass to enable an inspection to be made. In the event of such a refund then the title of the Ram shall again vest in the Breeder. If the Shearling Ram was purchased as a Ram Lamb, then the Vendor of the Shearling in question is entitled to claim the Ram Lamb purchase price from the Vendor of the Lamb.
13. That any Ram semen taken for the purpose of artificial insemination must be declared and specified at the time of sale and that any prospective purchaser should be satisfied himself as to what extent. Any dispute arising shall be resolved between such Vendor and Purchaser.
